

AMY MAKI

SR. GRAPHIC DESIGNER

Amy Maki came to Capture Sports & Entertainment with almost 10 years of graphic design and marketing industry experience. As Senior Graphic Designer, she partners with clients to help tell their story and share their mission through stunning visuals and creative content.

After graduating from Carroll University in Waukesha, Wisconsin with a Bachelor of Science in graphic communication and a minor in marketing, she partnered with local businesses across the greater Milwaukee area on marketing and networking opportunities through the Waukesha County Business Alliance. Amy went on to civil engineering company Ruckert & Mielke, Inc. to cultivate their brand and marketing efforts across multiple offices. Most recently, she assisted in further developing marketing and design strategies for Inlanta Mortgage to help loan officers get more families into the home of their dreams.

Outside of the office, you'll find Amy with her family and friends at sporting events, local brewery tours, at the movies, finding new restaurants, or binge-watching her favorite shows with her husband Jordan and their cat Lacy.
